Hello Lorena my name is Colson and I called you yesterday, 5/16/2017, and talked about being able to set up a kiosk at Ports O' Call, San Pedro. We are opening up location at Cabrillo way marina in July. We would be giving out information about the company and how to contact us. We would not sell anything directly from the kiosk. We would like to set up the kiosk in an area that gets a lot of foot traffic and do it on the weekends mainly. The kiosk would have wheels so we can easily move it and we would bring it so you would not have to supply one.

The company is [Freedom Boat Club](#). It is a club one joins and then that person can take one of the boats out from our fleet on the day they reserved it then drop it off with us when they are done using it. This will be a mutually beneficial business opportunity that will fill vacant slips at Cabrillo Way Marina, offer local employment opportunities, bring more people to San Pedro restaurants and shops! Is that something that you're in charge of or can you help put me into contact with someone who is?

I have also attached a photo of what the kiosk would look like.
